

# THE JOURNAL OF TOKYO MEDICAL UNIVERSITY

Vol. 62, No. 2

## CONTENTS

---

---

### Foreword

MAYAMA, Y.:	131
-------------	-----

### Review

NAKANO, M., KAWANISHI, Y., KAMOHARA, S. et al : The significance of oxidative stress marker, 8-OHdG and serum ferritin in preventive medicine	133
---	-----

### Originals

AMINO, M., TERAOKA, K., OOKUBO, Y. et al : Kawasaki disease-associated coronary artery lesions with navigator echo-based	146
FUJIMURA, K., YAMAMOTO, K., MASAOKA, T. et al : Effect of low intensity pulsed ultrasound on fracture healing in rabbits	153
KAKINUMA, T., UCHINO, H., ISHII, N. et al : Sympatholytic effects under spinal anesthesia using the alcohol-sponge method and an AC skin resistance monitor	162
AIERKIN, A., YAMAMOTO, K., MASAOKA, T. et al : The effects of pulsing electromagnetic fields stimulation and low intensity pulsed ultrasound on fracture healing in rats	170
HAYASHI, S., SHIROTA, T. : Biological markers as prognostic factors in patients with diffuse large B cell lymphoma	176
SHIRASU, H., YAMAMOTO, K., MASAOKA, T et al : A method for measuring the anteversion angle of the stem from a plain axial radiograph after total hip arthroplasty	186
KIKEGAWA, H., KITAMURA, T., NAGATA, K. et al : Distribution of cells expressing c-Fos-like protein in the periaqueductal gray matter after hind limb amputation of rats	193
SHI, X. : Transcultural psychiatric study of anorexia nervosa in China and Japan : comparative research of 60 cases	202

### Plazas

YODA, T., RAKUE, Y., MIZOTA, T. : Integrated pest management and surveillance of West Nile Virus infection in Louisiana, USA	212
UCHINO, Y., KAWAN, A. : Medical Science Forum (MSF)	218

### Case Report

AIERKIN, A., KOMAGATA, M., NISHIYAMA, M. et al : Paraganglioma of cauda equina : a case report	219
--	-----

### Clinical Conferences

Abstracts of the 335th Clinical Conference	
A case of primary aldosteronism	223
