

THE JOURNAL OF TOKYO MEDICAL UNIVERSITY
Vol. 62, No. 4
CONTENTS

Foreword

KUDO, Y. :351

Farewell Lecture

KOYANAGI, Y. : Biliary atresia and pediatric liver transplantation353

Review

MATSUNO, N., Nagao, T. : Present status and future of adult living related liver transplantation
at Hachioji Medical Center of Tokyo Medical University359

Originals

NAKAI, H., ISAKA, K. : Expression of matrix metalloproteinase-26 in human female
reproductive tissues366

KATO, Y., HARAOKA, J., NISHIOKA, H. et al. : Role of gemistocytes in malignant changes
of astrocytomas375

SATO, C., NISHI, H., ISAKA, K. : Expression of Midkine in gynecological tumors and
its clinical application381

KUBOSHIMA, S., TAKAFUJI, S., ISHIDA, A. et al. : Effects of platelet-activating factor (PAF)
on the activation of human lung fibroblasts389

TAKEKAWA, T., NISHIO, S., HAMAOKA, T. et al. : Measurement of the muscle oxidative capacity
of the vastus lateralis in osteoarthritis of the knee using near-infrared spectroscopy396

ITOKAZU, I., NOHIRA, T., TAKAYAMA, M. : The relation of fetal growth and eNOS
on umbilical endothelium405

SAITO, T., NUMABE, H., HOSHIKA, A. et al. : DNA analysis by polymorphic markers around
the DRPLA repeats415

TACHIBANA, M., NUMABE, H., HOSHIKA, A. : Alternative splicing by the use
of two acceptor sites separated by 3 bp in DRPLA422

NISHIYAMA, M., KOMAGATA, M., MATSUOKA, H. et al. : Radiographic evaluation
of sagittal alignment in the selection of operation method for lumbar spondylolisthesis430

Clinical Conferences

Abstracts of the 338th Clinical Conference
A case of pulmonary embolism after lumber spinal fusion436

Abstracts of the 339th Clinical Conference
A case of epidermolysis bullosa acquisita with a blister on the epiglottic mucosa442

Abstracts of the 340th Clinical Conference
A case of orbital malignant lymphoma leading visual loss450

The General Meeting

Proceedings of the 153th General Meeting459

The Council

Minutes of the Council491
